We still enjoy having walks out the way that we have been for the past 2 years and this is a good way to keep fit. Isaac has been enjoying trips out in the car and going home with his family.

Lucy attended a dance course during the holidays.

Kat is still going to the Arc twice a week as well as working on her independence

Alex has been to watch snooker after winning tickets and is now back at college.

Brandon has been enjoying making healthy meals with staff and spider hunting! Great Job with the food prep.

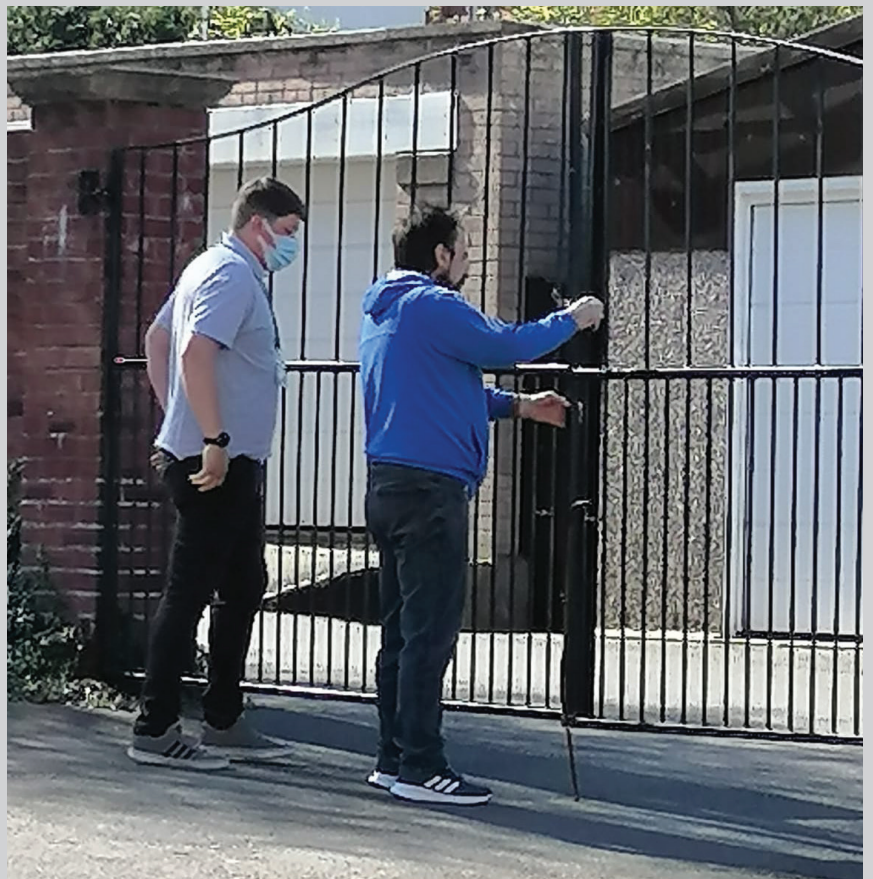

McCorley has been enjoying his walks with staff, waterfights and starting to decorate his house with a doctors office theme! He has done a fantastic job.

Phil has enjoyed going for morning cake and coffee... and Mark has been enjoying going to get his fishing magazine! It's nice to see everyone out and about again!

Welcome to new resident Keith!
