Dear Innova House Health Care Limited

The Care Quality Commission is not routinely inspecting services during the COVID-19 pandemic. We are maintaining contact with providers through existing monitoring arrangements and engagement and support calls covering four assessment areas:

- Safe Care and Treatment
- Staffing arrangements
- Protection from Abuse
- Assurance Processes, Monitoring and Risk Management

This Summary Record outlines what we found during the engagement and support call shown above, using standard sentences and an overall summary.

We have assessed that you are managing the impact of the COVID-19 pandemic at the above service. The overall summary includes information about the internal and external stresses you are currently experiencing, how they are being managed, and sources of support that are available.

Emergency Support Framework calls and other monitoring activity are not inspections. Summary Records are not inspection reports. Summary Records are not published on our website.

## Assessment Area 1

### Safe care and treatment

---

**1.1 Are infection risks to people using the service being thoroughly assessed and managed?**

---

**Yes** Infection risks to people using the service are being thoroughly assessed and managed.

---

---

---

**4.3 Is the provider supporting staff and people who use the service to raise any concerns and give feedback?**

---

**Yes** Staff are supported to raise concerns and give feedback about the service.

---

---

**4.4 Is care and treatment provided to people being properly recorded?**

---

**Yes** Care and treatment provided to people is being properly recorded.

---

---

**4.5 Is the provider able to work effectively with system partners when care and treatment is being commissioned, shared or transferred?**

---

**Yes** The provider is able to work effectively with system partners when care and treatment is being commissioned, shared or transferred.

---

### Overall summary

From our discussion and other information about this location, we assess that you are managing the impact of the COVID-19 pandemic.

Infection control products and practice:

You have implemented enhanced infection control measures. Your staff are wearing

appropriate PPE in line with current PHE guidance. You have limited visitor access to the care home. You have introduced socially distanced outdoor visiting arrangements for relatives. Relevant COVID19 information is shared with the staff team to promote learning and best practice via mobile phone app. Covid-19 information and updates are available to all staff

**Testing for Covid-19:**

You have recently completed batch testing for all staff and most service users. The results came back negative.

**Staff cover:**

Staffing levels have not been affected by the pandemic. You have contingency plans in place to ensure sufficient staffing cover in case of any unforeseen staff shortages.

**Staff support and training:**

You told us you continue to offer staff supervisions though these are currently on an informal basis. You explained you were available at all times should a staff member need advice or support. You explained you kept staff up to date with the latest guidance regarding Covid-19. Appropriate risk assessment was completed for staff who may be at higher risk i.e. due to pregnancy.

**Care and treatment for COVID-19:**

There are currently no cases of COVID-19 amongst the people you care for. You have effective systems in place to reduce the risk of the spread of the virus

**Safeguarding:**

You have systems in place to ensure that people are not placed at risk of increased neglect or abuse.

**Improving and delivering care:**

Quality assurance processes have been amended to continually identify, manage and act on any emerging risks, both COVID-19 related and otherwise. You told us you were up to date with all the latest information and guidance, you feel well supported and you know where to go to should you need further support.
